/// Changes in this edition

This second edition, first published July 2021, includes several significant changes and updates to the exam requirements and information. There are no changes to the repertoire lists.

- We have confirmed that the repertoire lists will remain valid until at least the end of 2022
- We have provided additional guidance for the performance as a whole component of the exam
- We have made a change to the own-choice piece requirements to allow unpublished repertoire, including candidates' own compositions
- We have changed our policy on the use of the same piece(s) in more than one exam; this is now allowed
- We have updated the Programme form – in particular, the Candidate ID should now be provided
- We have introduced a new Adapted Instruments policy; instruments adapted for beginners can be used in exams at any grade, as long as all the exam requirements can be met.

A range of updates have also been made to the text to further clarify the existing requirements and information, based on queries and feedback received since the Performance Grades qualification was launched in summer 2020.

The overarching *Qualification Specification: Music Performance Grades* document, which has other important and relevant information for those preparing for Performance Grades, has also been significantly updated.

3. Brass Performance Grades syllabus

Introducing the qualification

Performance Grades are new qualifications from ABRSM, introduced in 2020 to run alongside our long-standing and respected Practical Grades. They allow learners to focus on and showcase their performance skills if that is their preference. This additional suite of qualifications has been designed to allow learners to play to their strengths and interests and still have their level of achievement formally recognised with a regulated qualification that attracts UCAS points (in the UK) at Grades 6 to 8. Performance Grades are accessible exams given their sole focus on performance, without the assessment of any supporting tests. Instead they encourage the selection of appropriate repertoire to be delivered in a sustained performance, even at the earliest levels.

Musicians learn to play an instrument to explore and perform repertoire, which is why pieces, and the way they can be combined to create a convincing and sustained performance, are the focus of the exam. For Performance Grades, candidates are asked to present four pieces at each grade.

ABRSM Performance Grades draw on the same repertoire set for our Practical Grades. This syllabus repertoire is organised into lists, which explore different traditions and styles, dating from the Renaissance period to the present day. Choosing repertoire from different lists gives candidates the opportunity to perform a balanced selection and demonstrate a range of skills.

Since Performance Grades focus on performance alone, the choice of repertoire is important, and attention should be given to the way pieces are contrasted, the order in which they are presented, and the different moods and characters they inhabit. This will enable candidates to demonstrate their ability to deliver a coherent and convincing performance event, not just a series of individual pieces. Credit for this is given through the performance as a whole assessment criteria that are applied.

Performance Grades: requirements and information

The syllabus repertoire is valid until at least 31 December 2022*.

This section provides a summary of the most important points that teachers and candidates need to know when taking ABRSM Performance Grades for Brass. Further details, as well as administrative information about the exams, are given in ABRSM's Exam Regulations (available at www.abrsm.org/examregulations) which should be read before making an exam booking.

Instruments

The Performance Grades syllabus requirements have been designed for the standard instruments covered. ABRSM recognise that many learners start their musical journey by using an instrument specially adapted for younger/smaller players. We welcome the use of these instruments in our graded exams in accordance with the details set out in our Adapted Instruments Policy, available at www.abrsm.org/policies.

Other information about certain instruments covered by this syllabus is as follows.

Horn: The accompanied pieces set on the repertoire lists are published in F editions unless otherwise indicated. For pieces not published in F, candidates may use manuscript transpositions of their part if necessary.

Some List C pieces are published with transposition suggestions but in the exam they should be played in the written keys only.

Trumpet, B♭ Cornet, E♭ Cornet, Flugelhorn: These instruments share the same repertoire lists. All the pieces set are published for instruments in B♭ unless otherwise indicated. Some pieces may be played on a trumpet in C, D, E♭ or E where the syllabus indicates a published edition for these tunings (or where other suitable editions are available). Similarly, own-choice pieces for trumpet may be played on the most appropriately pitched instrument.

E♭ Soprano Cornet: Piano accompaniments should be suitably transposed where necessary. At Grades 1 and 2, E♭ Soprano Cornet candidates may choose their List A and/or B pieces from the Grades 1 and 2 lists set for E♭ Horn.

E♭ Horn: All the accompanied pieces set on the repertoire lists are published in E♭ editions. Pieces that are also published with a part in F are indicated in the lists.

Trombone: The repertoire lists show the clefs that pieces are published in (♭ and/or ♯). If necessary, candidates may use manuscript transpositions into treble or bass clef.

Baritone and Euphonium: These instruments share the same repertoire lists. The lists show the clefs that pieces are published in (♭ and/or ♯). If necessary, candidates may use manuscript transpositions into treble or bass clef.

A three-valved instrument may be used at all grades. Candidates may adapt passages containing notes that require a 4th valve (where an ossia is not published).

Tuba: An E♭, F, B♭ or C tuba may be used. Candidates may adapt passages or transpose parts and/or accompaniments as necessary for their instrument (NB many of the pieces set on the repertoire lists are biased towards E♭ tuba).

A three-valved instrument may be used at all grades. Candidates may adapt passages containing notes that require a 4th valve (where an ossia is not published).

The repertoire lists show publication details, including clefs and where piano accompaniments are published separately. In addition, for pieces marked ‡, further information about the publications (including where parts/accompaniments are issued in different keys) is available at: www.abrsm.org/clarifications.

Performance as a whole

Performance skills are at the heart of Performance Grades, and go beyond the preparation of individual pieces. Designing programmes that play to learners' strengths as performers, and then delivering them with a real sense of musical intent and communication, is central to musical development. This also builds stamina, and embeds the technical control required to play a whole programme through, including managing the transitions from one piece to another. Finding ways to put across the mood and character, and really get inside the style of different types of repertoire, as well as arranging pieces into coherent and compelling programmes will in turn increase learners' knowledge and understanding of music more broadly.

For full details of how the performance as a whole component of the exam is assessed, see Section 4 of the *Qualification Specification: Music Performance Grades*.

Selecting repertoire

Number of pieces: Candidates present four pieces in one continuous performance. They choose at least one piece from each of the three lists (A, B and C). The fourth piece can be from the repertoire lists or a piece of the candidate’s choice. The pieces can be performed in any order. See further programming requirements within this ‘Selecting repertoire’ section before finalising choices.

Own-choice piece: The following options and restrictions apply to the own-choice piece selection:

- The piece should be broadly the same standard, or above, as repertoire set for the grade being taken (prior approval from ABRSM is not needed, and can’t be given).
- The piece may be chosen from any of the repertoire lists set for the grade, as long as all other requirements within this ‘Selecting repertoire’ section are also met, including the minimum duration. Performing all four pieces from the lists gives no advantage.
- The piece may be a candidate’s own composition or arrangement (see ‘Own composition’).
- The piece must exist in a legible and fully-notated score using standard music notation (e.g. not in tab, not a lead sheet if candidate is playing a harmonic instrument etc.) and must be performed as notated in that score.

In cases where there is a concern about the standard of an own-choice piece presented, ABRSM reserves the right to request a copy from the Applicant where we cannot readily access one ourselves. This may delay the issuing of the exam result.

- At Grades 6 to 8, the piece may be performed on a related instrument (see ‘Related instrument option’).
- The piece may be a duet at any grade.
- The piece may be an unaccompanied piece, as long as there are no more than two unaccompanied pieces in the programme.
- The piece must not last less than the following timings for each grade (unless the overall programme time would be exceeded; see ‘Programme times’):

	Grade							
	1	2	3	4	5	6	7	8
Minimum duration (mm:ss)	00:25	00:30	00:35	00:45	01:00	01:30	02:00	03:00

The duration for each grade is the minimum time required in order to demonstrate the breadth and depth of skills required, including stamina.

The other programming requirements described in this ‘Selecting repertoire’ section must also be met.

Programme times: The overall performance, including transitions between pieces and the inclusion of one longer break if taken (see ‘Break’), should not exceed the maximum programme time set for the grade, as shown in the following table. The programme time is the duration from the first note of the performance to the last. The examiner may stop listening to the recording if the candidate’s performance goes over the maximum programme time.

	Grade							
	1	2	3	4	5	6	7	8
Maximum programme time (minutes)	6	7	8	10	12	15	20	25

Break: Candidates may take one break during their performance if they wish. The break must not exceed the time allowed for the grade as shown in the following table. The exam recording must not be paused or stopped during the break.

	Grades	
	1 to 5	6 to 8
Maximum break time (minutes)	1	2

Accompaniment*: A live piano or brass (where the duet option is taken; see 'Duets') accompaniment is required for all pieces, except those that are published as studies or unaccompanied works (all List A and B pieces require a piano accompaniment; all List C pieces are unaccompanied).

Candidates provide their own accompanist(s) who may be their teacher. If necessary, an accompanist may simplify any part of the accompaniment, as long as the result is musical. Recorded accompaniments are not allowed.

Duets*: Candidates may perform a duet (or piece with a brass accompaniment) for *one* of their pieces. (See 'Accompaniment'.)

Unaccompanied pieces: Candidates may choose to perform *up to two* unaccompanied pieces. Pieces that are published with an accompaniment must not be performed unaccompanied*.

Composers: Up to two pieces by the same composer may be performed. Where two or more pieces/movements by a composer are required by the syllabus (i.e. under one list number and indicated with an 'and'), these are considered as one 'piece'.

Own composition: ABRSM welcomes the inclusion of candidates' own compositions, or arrangements, to be performed as their own-choice piece. We will not judge or provide feedback on the structure or quality of the composition, only the performance of it. However, as with any other own-choice piece, the technical demand of the composition must be broadly the same as repertoire set for the grade being taken.

Repertoire lists: Every effort has been made to feature a broad range of repertoire to suit and appeal to candidates of different ages, backgrounds and interests. Certain pieces may not be suitable for every candidate for technical reasons or because of wider context (historical, cultural, subject matter, lyrics if an arrangement of a song, etc.). Pieces should be considered carefully for their appropriateness to each individual, which may need consultation between teachers and parents/carers. Teachers and parents/carers should also exercise caution when allowing younger candidates to research pieces online: www.nspcc.org.uk/online-safety.

The repertoire lists are the same as for ABRSM Practical Grades. Candidates intending on taking both qualifications at the same grade may find their musical development benefits from preparing different pieces for each.

Exam music & editions: Wherever the syllabus includes an arrangement or transcription (appearing as 'arr.' or 'trans.' in the repertoire lists), the edition listed in the syllabus must be used. For all other pieces, editions are listed for guidance only and candidates may use any edition of their choice. This includes editions that are downloaded. Information on sourcing exam music is given on page 7.

Repeats: In most cases, da capo and dal segno indications must be followed but other repeats may be included, or not, at candidates' discretion (in order to achieve a musically satisfying

* Given COVID-19 social-distancing requirements, we are temporarily relaxing the live accompaniment requirement for exams. Details of the options available can be found at www.abrsm.org/performancegrades.

performance). If the syllabus specifies that a repeat should be included, this instruction must be followed. If the syllabus indicates that a da capo/dal segno should be omitted, candidates have the option to include or not. The maximum programme time should also be taken into consideration when deciding whether to include repeats (see 'Programme times').

Cadenzas & tuttis: Unless the syllabus specifies differently, the inclusion of cadenzas, and/or orchestral tuttis in full, is left to candidates' discretion in order to achieve a stylistically appropriate and musically satisfying performance. The maximum programme time should also be taken into consideration when deciding whether to include cadenzas or tuttis (see 'Programme times').

Related instrument option: At Grades 6 to 8, candidates may choose to play their own-choice piece on a related instrument. The related instruments accepted are shown in the following table. The piece chosen should be composed for the instrument used. No extra marks are awarded for playing a related instrument.

Main instrument	Related instrument(s)
Trumpet	Cornet, Flugelhorn
B♭ Cornet	Trumpet, Flugelhorn
E♭ Cornet	Trumpet, Flugelhorn
Flugelhorn	Cornet, Trumpet
Trombone	Bass Trombone
Bass Trombone	Trombone
Baritone	Euphonium
Euphonium	Baritone
Tuba	Sousaphone, Euphonium

Trumpet, B♭ Cornet, E♭ Cornet and Flugelhorn candidates at all grades may perform one of their three pieces chosen from the repertoire lists on one of the other three instruments. This means that up to two pieces may be played on a related instrument at Grades 6 to 8.

Preparing for the exam

Programme form & pre-performance procedures: Candidates should complete a programme form and show it to the camera, for approximately five seconds, at the start of the exam recording. A form that can be printed and completed is provided on page 59. Alternatively, the required information can be written on a blank piece of paper. The piece information required should be given in the order the pieces will be performed.

As well as showing the form to camera, candidates should show the opening of their own-choice piece and announce themselves and their pieces before beginning their performance. Candidates taking a Grade 6, 7 or 8 must additionally show a form of photographic identification to the camera. This is because these qualifications can be used either as a prerequisite for higher grades and diplomas, or as part of a university application.

If preferred, a Responsible Adult present may show the form and music to camera (but not the ID, where applicable) and make the introductory announcement, as this does not form part of the performance. The assessment of the performance begins on the first note of music played.

More information on all of the above is given in the Guidance for Music Performance Grades available at www.abrsm.org/performancegrades.

Interpreting the score: Printed editorial suggestions such as fingering, phrasing, metronome marks, realisation of ornaments, etc. do not need to be strictly observed. Whether the piece contains musical indications or not, candidates are encouraged to interpret the score in a musical and stylistic way. For pieces in a jazz style, candidates may add slight embellishment, as stylistically appropriate, but not include extensive improvisation. Examiners' marking will be determined by how candidates' decisions contribute to the musical outcome of each individual piece and to the performance as a whole.

Performing from memory: There is no requirement to perform from memory although candidates are encouraged to do so, if they believe it will enhance their performance. No extra marks are directly awarded for performing from memory.

Ossias: Where an ossia (alternative musical line or note) occurs in the music, candidates may choose either option unless the repertoire list specifies differently.

Tuning: Tuning should be completed before the exam recording is started. Once the performance of the programme has begun, candidates are responsible for any tuning adjustments that may be needed (all grades).

Page-turns: Candidates need to manage any page-turns appropriately to avoid any adverse effect on the performance as a whole, which examiners will be assessing. Candidates (and accompanists) may use an extra copy of the music or a photocopy of a section of the piece (but see 'Copyright') to help with page-turns. They may also use a page-turner (prior permission is not required; the turner may be the teacher).

Copyright: Performing from unauthorised photocopies (or other kinds of copies) or illegal downloads of copyright music is not allowed. In the UK, copies may be used in certain limited circumstances – for full details, see the MPA's *Code of Fair Practice* at www.mpaonline.org.uk/mpa-guidelines. In all other cases, application should be made to the copyright holder before any copy is made. Care should also be taken when making arrangements, as permission will be required in the case of copyright music.

Candidates and Applicants are expected to act within the law with regard to copyright. ABRSM may withhold the exam result where we have evidence that this is not the case.

Sourcing exam music: Exam music is available from music retailers and online, including at the ABRSM music shop: www.abrsm.org/shop. Every effort has been made to make sure that the publications listed will be available for the duration of the syllabus. We advise candidates to get their music well before the exam in case items are not kept in stock by retailers. Non-exam related questions about the music (e.g. editorial, availability) should be addressed to the relevant publisher: contact details are listed at www.abrsm.org/publishers.
